

Major League Dragon Boat is fortunate to work with tremendous venue partners throughout North America. Part of our commitment to these partners is a focus on driving an economic impact in the communities that host our events. To assist us in measuring the impact, we are requiring all teams complete this lodging form and submit electronically prior to the Thursday before the event or on-site during team check-in.

We appreciate your support of the MLDB series and your assistance with this information.

TEAM NAME: _____

We are a local team and did not book any hotel nights: ☐

We are not a local team, but some or all will not stay overnight: ☐
